

1987 Everett Mountaineers
Ken Nelson Memorial Climbing Award

This award was conceived in 1986 in memory of our friend and fellow climber, Ken Nelson. It is intended to recognize the efforts of individuals who have "gone the extra mile" in their sharing of time, energy, and expertise for the betterment of the climbing program of the Everett Branch.

The 1987 recipient of this award is Jack Bennett. Jack joined the Mountaineers and participated in the Everett Branch Basic Climbing Course in 1975. Since that time he has given back countless hours...working with the climbing committee in a variety of different positions, developing the Everett Branch Intermediate Climbing Course program, lecturing and instructing field trips for both courses, and leading climbs. Jack's dedication to the climbing program and to the club deserve recognition. With this award the branch says "Thank You!"
