

Christi Masi Honored at 2002 Banquet

Christi Masi was presented with the Ken Nelson Memorial Climbing Award at the Everett Mountaineers banquet on November 9. This award is given each year to recognize an individual for exceptional service to the Everett Mountaineers climbing program.

Christi Masi graduated from Basic Climbing Course in 1993, and from the Intermediate Climbing Course in 1999. She served on climbing committee for several years, and helped to organize and present both the Basic and Intermediate climbing courses. She has led the Basic Rock II and Intermediate Ice II field trips multiple times, and instructed at countless other field trips. As a climb leader since 1995, she has safely guided many club members to summits. Thank you, Christi, for your contributions.

Ken Nelson was an active member of the Everett Mountaineers who died in a tragic climbing accident on Mount Robson in 1986. In his memory, the climbing committee instituted the Ken Nelson Memorial Climbing Award to recognize an individual who, like Ken, has contributed significantly to our climbing program.
