 Equipment Recommended: Hardhat Crampons Rope
 Weather Conditions: Sun - Thunder storm with lightning & hail - Sun

Was a handline used? Yes No (If Yes, describe circumstances)

Accident Involved? Yes No (If Yes, submit an accident report)

Trip Narrative/Comments (about skills and conditioning of students):

We had sunshine most of the day until just before the summit when a thunder & lightning storm overtook us. Hail for about 10 min. We left the summit because of the electricity! Quite exciting. (over)

We used an extra 1/2 hr coming down looking for a piece of equipment which had been lost on the way up—we found it, too!
