WEATHER CONDITIONS: Nice warm weather, some clouds mainly clear

ACCIDENT INVOLVED:  NO  YES (SUBMIT ACCIDENT REPORT)

TRIP NARRATION/COMMENTS (ABOUT CONDITIONING AND SKILLS WHEN INADEQUATE):

Not alot of snow, glad trip wasn't dated for a later time otherwise wouldn't at been sufficient snow pack. Snow was of a excellent texture for step kicking and glissading. The Annette Lake trail was in good condition. All the scramblers were in good condition so we made good travel time. scramble students. Honestly nice to have along, he help out
